Cash donations will be distributed between Perpetua Resources and its subsidiaries at the discretion of the Corporation’s management and preference will be given to:

1. Where there is an emphasis on supporting the health and well-being of children and families with children.
2. Non-profit organizations and community events likely to provide long-term benefit to the citizens of the provinces or states wherein Perpetua Resources does business, with up to 25% of the total annual giving amount to be donated outside such communities.
3. Matching donations by employees to eligible organizations and events.
4. Smaller organizations or events where any donation is likely to have a significant impact on the overall funding objective.
5. Organizations or events that are registered charities, foundations or similar entities.
6. Where employees have demonstrated a sustained personal commitment to a fund-raising event or community organization.

Perpetua Resources may, at its sole discretion, allow employees to volunteer at activities and events that meet the goals and objectives set out above.

Perpetua Resources may, at its sole discretion, donate items such as jackets and other promotional items, to charitable events and organizations that meet the goals set out above.

Prior to making such donations, the Corporation’s Compliance Officer will determine whether risk-based due diligence is required to identify the donation’s recipient(s), and to ensure that a government official will not benefit from the donation in violation of applicable anti-corruption laws. All charitable donations must be made in accordance with the Corporation’s [\*\*Anti-Bribery and Anti-Corruption Policy\*\*](#).

## **SCHEDULE A**

Perpetua Resources' approved total cash donations under the Charitable Donations Policy shall not exceed \$50,000 per calendar year unless varied by the Board of Directors.

Where an employee opts to waive their personal salary or bonus and asks that the Corporation contribute this amount to a charity instead, this amount does not form a part of the above mentioned \$50,000 per calendar year limit.
