### **Perpetua Resources Announces Offering of Common Shares**

BOISE, ID – Perpetua Resources Corp. (Nasdaq: PPTA / TSX: PPTA) (“Perpetua Resources” or the “Company”) today announced the launch of a public offering of 3,439,465 shares of its common stock (the “Common Shares”) in the United States (the “Offering”).

The Company expects to use the net proceeds of the Offering for down payments on long lead time materials, detailed engineering for its Stibnite Gold Project, and general corporate purposes.

The Common Shares will be offered by the Company with BMO Capital Markets and National Bank of Canada Financial Markets acting as joint lead book-running managers and RBC Capital Markets and Cantor acting as joint book-running managers (collectively, the “Underwriters”).

Perpetua Resources intends to grant the Underwriters an option, exercisable for a period of 30 days from the date hereof, to purchase up to an additional 515,919 Common Shares representing up to 15% of the number of Common Shares to be sold pursuant to the Offering.

The Offering to the public in the United States is being made pursuant to the Company’s effective shelf registration statement on Form S-3, including a base prospectus, previously filed with the Securities and Exchange Commission (the “SEC”). The Offering in the United States will be made only by means of a prospectus and related prospectus supplement meeting the requirements of Section 10 of the Securities Act of 1933, as amended. You may obtain these documents for free by visiting EDGAR on the SEC’s website at [www.sec.gov](http://www.sec.gov). Alternatively, copies of the preliminary prospectus supplement and the base prospectus may be obtained from BMO Capital Markets Corp., Attn: Equity Syndicate Department, 151 W 42nd Street, 32nd Floor, New York, NY 10036.

This news release does not constitute an offer to sell or the solicitation of an offer to buy shares of Perpetua Resource’s common stock, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

#### **About Perpetua Resources and the Stibnite Gold Project**

Perpetua Resources Corp., through its wholly owned subsidiaries, is focused on the exploration, site restoration and redevelopment of gold-antimony-silver deposits in the Stibnite-Yellow Pine district of central Idaho that are encompassed by the Stibnite Gold Project. The Stibnite Gold Project is one of the highest-grade, open pit gold deposits in the United States and is designed to apply a modern, responsible mining approach to restore an abandoned mine site and produce both gold and the only mined source of antimony in the United States. Further advancing Perpetua Resources’ ESG and sustainable mining goals, the Stibnite Gold Project will be powered by one of the lowest carbon emissions grids in the nation and a portion of the antimony produced from the Stibnite Gold Project will be supplied to Ambri, a U.S.-based company commercializing a low-cost liquid metal battery essential for the low-carbon energy transition. Perpetua Resources has been awarded a Technology Investment Agreement of \$59.2 million in Defense Production Act Title III funding to advance construction readiness and permitting of the Stibnite Gold Project. Antimony trisulfide from Stibnite is the only known domestic source of antimony that can meet U.S. defense needs for
